**Synergetic Structural Integration Certification - 300 total hours**

This **SSI certification** includes PowerPoint lectures on the history, scientific research, goals and strategies of structural integration. Manual therapy demonstrations of myofascial techniques with active and passive client movement Inspired by the work of Dr. Ida P. Rolf. The certification addresses many postural and mobility dysfunctions in an easy

to learn step by step 10 session format. Forward head posture, rotator cuff pain, spinal, shoulder girdle and pelvic dysfunctions, foot, ankle, knee, leg, hip, arm, hand and neck mobility, nerve and lymphatic flow, visceral manual techniques, postural and movement dysfunction, and more. Synergetic™ Structural Integration includes a variety of advanced fascial therapy techniques, rocking, movement, functional assessments and stretching to solve myofascial pain and dysfunctional mobility patterns.

**Magnus Eklund** BCSI, LMT 144(MS), FL MA98151, has studied with manual therapy legend Emmett Hutchins the protégé and successor of Dr. Ida Rolf, and received his Structural Integration Practitioner Certification with well-known Structural Integrator Tom Myers at KMI/AT. He is also a Guild for Structural Integration Advanced Structural Integration practitioner, and board certified in Structural Integration (BCSI). Magnus is also a certified Yoga teacher registered with Yoga alliance, and a certified ISSA personal fitness trainer, corrective exercise specialist and strength and conditioning coach. His college education in Sweden was at Lillsved Sport Institute in Stockholm where he studied exercise physiology, anatomy, exercise and movement. He is certified by Kelly Starrett at The Ready State as a Mobility Coach. He has studied Thai massage, assisted stretching and compression therapy with Master teacher Mukti Michael Buck. He studied rocking, vibration and contract resist techniques with Dean Juhan the author of Job's body. Magnus has been a bodyworker since 1994 when he graduated Massage Therapy School.

**Bobbi Eklund** CSSI, LMT 2629(MS), is an experienced Structural Integration teacher, Certified Synergetic™ Structural Integrator, and certified by Dr. Sue Morter as an Energy Codes® Coach and Body Awake® Yoga teacher. Her background as a bodyworker goes back to 1993 with massage school trainings in Houston at the European Institute of Massage with Erica Lichter, and Italy where she became certified in Shiatsu with The New Age School of Shiatsu taught by Alessandro Cantelli. Bobbi learned a series of exercises in Yotsu® that was designed to open the energy pathways known in Traditional Chinese Medicine (TCM) as meridians. These special skills would aid her in ability to sense this energy in the body. She has always understood the importance of the connection between body, mind and spirit because balance is the priority of any healthy lifestyle. She was the founder and operated Enterprise School of massage for seven years where she taught all the required classes.
