

Join us for Synergetic Myofascial Method with side positioning techniques and functional movement assessments for core stability integrating spine, pelvis and shoulder-girdle

16-hour CE, Central Florida School of Massage Therapy, Winter Park / Orlando, FL, November 9-10, 2024.

With Structural Integrator Magnus Eklund LMT 144, BCSI

This 16-hour CE course includes PowerPoint lectures on the history, scientific research and strategies of fascial bodywork and manual therapy demonstrations of myofascial techniques with active and passive client movement based on the work of Dr. Ida P. Rolf. Workshop addresses core, shoulder, spine, pelvis and neck postural and movement dysfunction, and more. Synergetic™ Myofascial Therapy includes a variety of advanced fascial therapy techniques, rocking, movement, functional assessments and stretching to solve pain and dysfunctional mobility patterns. Magnus has a direct lineage to Dr Rolf through his teacher and her protégé and successor Emmett Hutchins. Set yourself apart from your peers with advanced time-tested fascial techniques that will totally restructure and align your body inside and out. Learn intelligent session planning – strategies, and results-oriented myofascial techniques with long-lasting results.
